# YRF COLLOQUIUM
# &
# SCISCITATOR LAUNCH

Date- 20th Saturday, October 2018

Time- 4.30 p.m. onwards
Venue-PGIS Roof Top

*Young researchers' Forum (YRF) is the official consortium of the researchers registered for the postgraduate studies at PGIS. The forum consits of full time and part time researchers who come from various fields to contribute to the empowerment of the empirical and theoritical research in Sri Lanka and thereby foster the development of the country. This year we could organize several events including the YRF students' day, annual trip, talks on various areas etc,. YRF colloquium is one of the biggest events organized by YRF which brings entertainment and academical nourishment together.*
