

Initial Submission and Final submissions of the Soft Copies of Project Reports and Thesis

M.Sc Project Reports

The M.Sc students, who have obtained GPA ≥ 3 of the course work component and have successfully completed the research work and project report writing shall forward the PDF version of the soft copy of Initial submission to the Programme Coordinator of the respective M.Sc Programme through the supervisor/s. The duly filled Initial submission form with the relevant e-signatures should also be forwarded along with the Initial submission of the project report. The Programme Coordinator shall forward his/her recommendation to the Chairperson of the respective Boards of Study confirming that the student has obtained GPA ≥ 3 . The Chairperson shall forward the project report to the Director/PGIS with a copy to ar@pgis.lk along with list of project report examiners and their email address.

M.Phil/Ph.D. Thesis

The M.Phil/Ph.D. students those who have successfully completed the research work and thesis writing shall forward the PDF version of soft copy of the Initial submission of the thesis to the Chairperson of the respective Boards of Study through the supervisor/s. The duly filled initial submission form should also be forwarded with the relevant e-signatures. The Chairperson shall forward the project report to the Director/PGIS with a copy to ar@pgis.lk along with list of thesis examiners and their email address.

Final Submission of the M.Sc Project Report and M.Phil/ Ph.D. Thesis

The PDF versions of Final Submissions of the Project Reports can also be done through the Channel mentioned above along with the duly filled Final submission form. Regarding final submissions, the process of the releasing results will be started after receiving the hard bound copies.
