The Postgraduate Institute of Science is proud to present the ninth PGIS Research Congress, 'RESCON 2022'.

The Research Congress is an ideal platform for researchers to share their findings, and to open avenues for new innovation and collaboration.

Authors are invited to submit their original work to be presented at the Research Congress through the official website:

<http://www.pgis.lk/rescon2022>

Submissions will be subjected to blind review.

Registration Fees

Early Bird Registration

Students	LKR 750
Others	LKR 1250
International	USD 75

Regular Registration

Students	LKR 1250
Others	LKR 2000
International	USD 100

Authors should submit abstracts via the Microsoft CMT submission system.

Complete submissions should include:

1. A duly filled submission form
2. Blind abstract (not including author names)
3. Blind extended abstract
4. Author declaration form
5. Author checklist

Details of **ALL AUTHORS** must be added to the "Authors" section of the submission page, and the corresponding author should be indicated.

The Editorial Board reserves the right to change the theme of the abstract identified by the authors to a more relevant theme, if necessary. Results presented or published elsewhere will not be considered.

Abstract - Guidelines

The abstract should summarize the methods, results, and conclusions of the study. If accepted, abstracts will be published in the 'Proceedings of the Postgraduate Institute of Science Research Congress 2022'.

Format: Abstracts should be limited to one A4 sized page, with a left margin of 3.0 cm, and all other margins kept at 2.5 cm. The font 'Times New Roman' of size 12 should be used with single line spacing. All abstracts must be written and submitted in English, using Microsoft Word (2007 or later).

Title: should be brief and should reflect the study carried out. The letters should be bold uppercase and centre-aligned. Scientific names in the title should be written in uppercase italics.

For more detailed guidelines on formatting visit www.pgis.lk/rescon2022

Inclusion of an extended abstract is mandatory for reviewing. The formatting of the extended abstract should be similar to that of the abstract, giving priority to the results and discussion, within 2-3 pages. Figures and tables should be clearly presented and be included within the stipulated page limits.

The extended abstract should be organized under the following subtopics:

1. Title
2. Introduction (with objectives)
3. Materials and Methods
4. Results
5. Discussion
6. Conclusion/s (with outcomes)
7. References

Camera-Ready Submission

Once accepted, abstracts, together with reviewer comments, will be made available to authors. Final camera-ready submission is required, which should include suggested changes to the abstract.

Further details on the format of camera-ready submissions will be notified to the authors of accepted papers.

Please note that accepted abstracts must be presented by one of the authors. Authors are expected to inform the Editorial Board or take necessary action if they are unavailable to make the presentation.

If an accepted abstract is not presented, the authors will not be allowed to submit abstracts for the PGIS Research Congress for three years.
