 Physical Sciences

 Science Education

The Postgraduate Institute of Science (PGIS) is a premier institute of higher education in Sri Lanka. Established in 1996, the PGIS offers Ph.D., M.Phil., M.Sc. degree programmes, and diploma programmes covering a range of disciplines in science.

Located centrally in the premises of the University of Peradeniya, the PGIS offers exciting opportunities for students to pursue higher studies, and provides impetus to the enhancement of scientific research.

RESEARCH CONGRESS

3-4
NOV

Calling For Abstracts

The Postgraduate Institute of Science is proud to present the tenth PGIS Research Congress, 'RESCON 2023'.

The Research Congress is an ideal platform for researchers to share their findings, and to open avenues for new innovation and collaboration. Authors are invited to submit their original work to be presented at the Research Congress through the official website:

<http://www.pgis.lk/rescon2023>

Authors should submit their abstracts via the Microsoft CMT submission system of the website. Submissions will be subjected to a double blind review process.

Registration

Fees	Early Bird	Regular
Local Students	2000 LKR	2500 LKR
Local Regular	2500 LKR	3000 LKR
International	USD 40	USD 50

Please register via the congress website or by contacting us.

Complete submissions should include:

1. A duly filled submission form
2. Blind abstract (not including author names)
3. Blind extended abstract
4. Author declaration form
5. Author checklist

Details of **ALL AUTHORS** must be added to the "Authors" section of the submission page, and the corresponding author should be indicated. The Editorial Board reserves the right to change the Theme of the abstract identified by the authors to a more relevant Theme, if necessary. Results presented or published elsewhere will not be considered.

Abstract Guidelines

The abstract should include an introductory sentence or two, objectives, methods, results, discussion (if applicable) and conclusions of the study. If accepted, abstracts will be published in the *'Proceedings of the Postgraduate Institute of Science Research Congress 2023'*.

Detailed guidelines on abstract preparation and formatting is available at the congress website.

Extended abstract: This is **MANDATORY** for reviewing. The formatting of the extended abstract should be similar to that of the abstract, giving priority to the results and

discussion, within 2-3 pages. Figures and tables should be clearly presented and be included within the stipulated page limits. For detailed guidelines please visit the congress website.

Camera Ready Submission

Once accepted, abstracts, together with reviewer comments, will be made available to authors. Final camera-ready submission is required, which should include suggested changes to the abstract.

Further details on the format of camera-ready submissions will be notified to authors of accepted papers.

Please note that accepted abstracts must be presented by one of the authors. Authors are expected to inform the Editorial Board or take necessary action if they are unavailable to make the presentation. If an accepted abstract is not presented, the authors will not be allowed to submit abstracts for the PGIS Research Congress for three years.
